

Caterpillar into Butterfly

Step one:

Use crayons to
color the butterfly.

Step two:

When finished,
fold this paper in
half, so you can
no longer see the
butterfly.

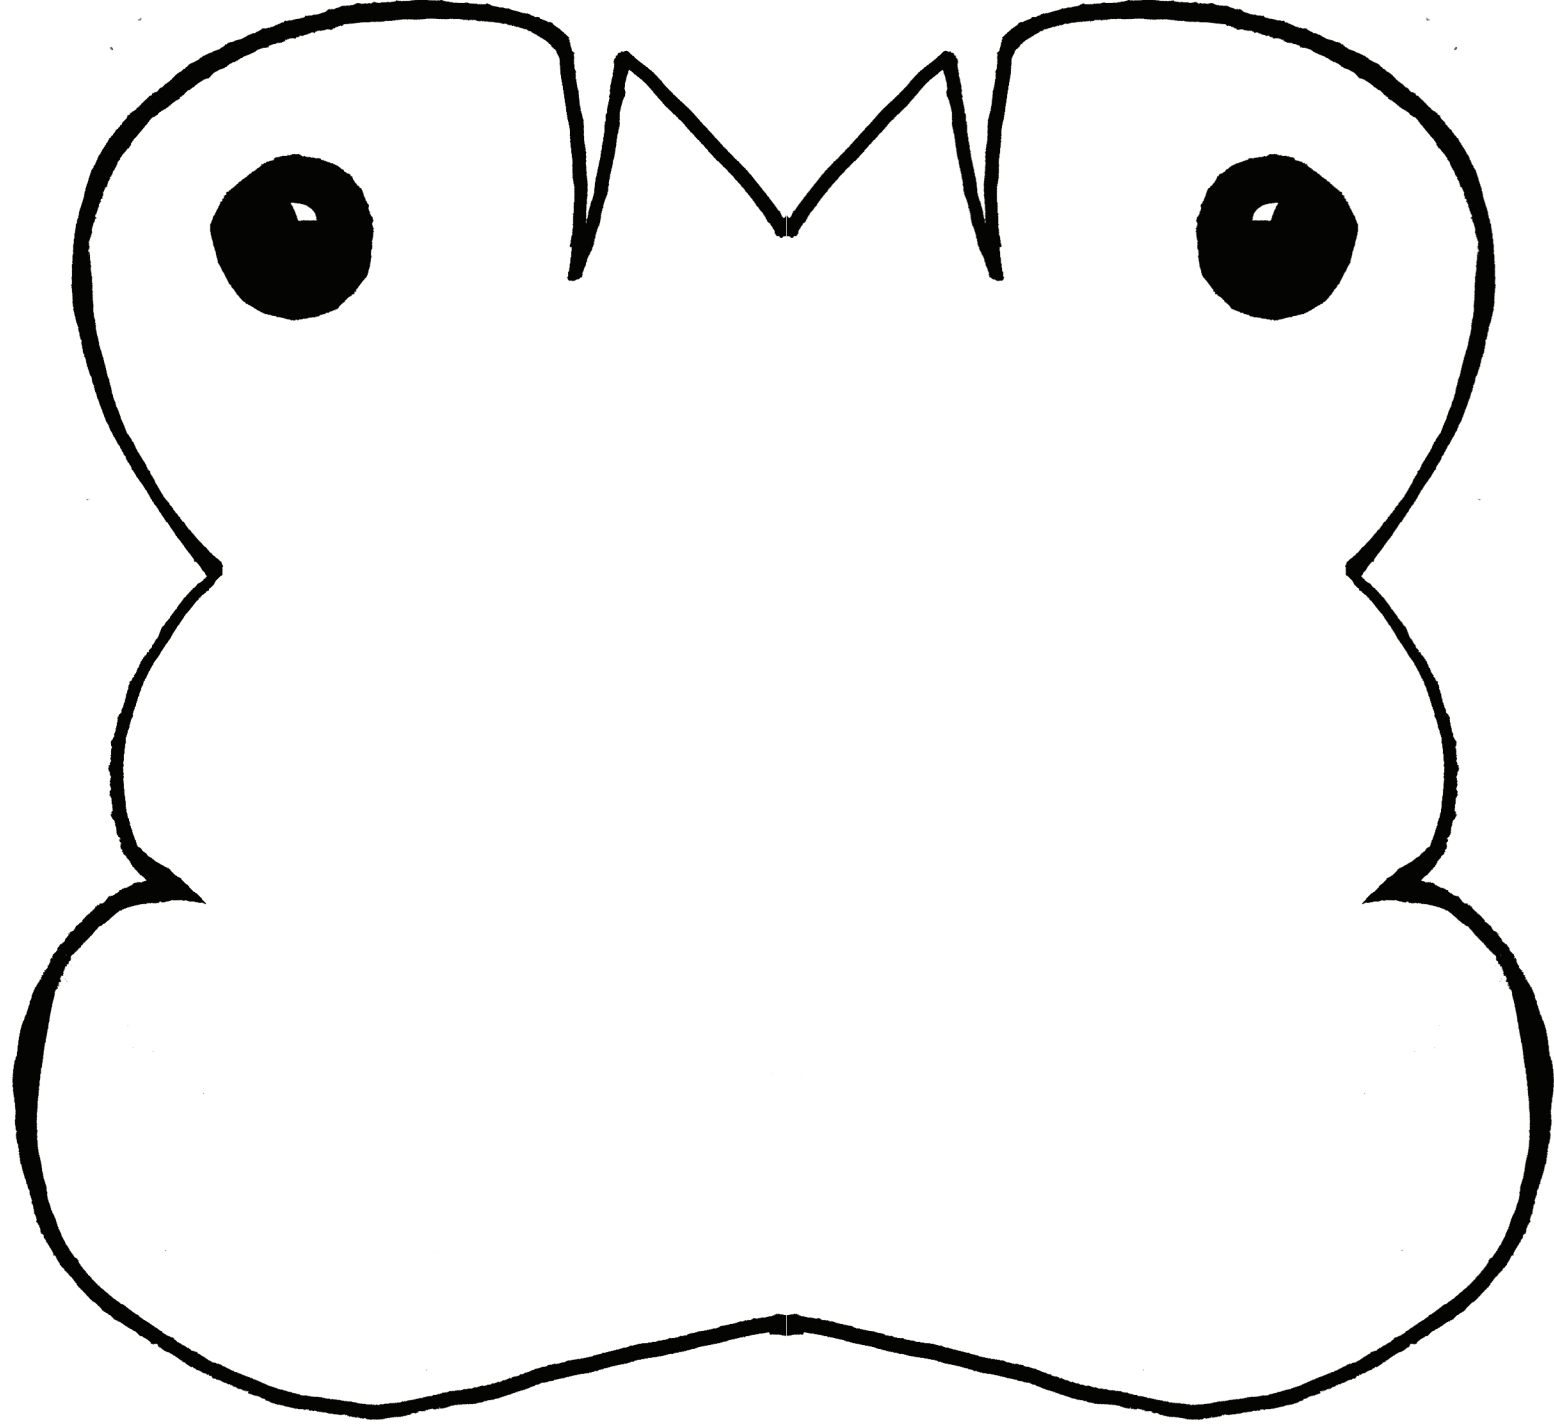

Step three:

With the paper folded, use crayons to color each side of the caterpillar.

Step four:

Keep the paper folded and cut out the caterpillar along the black line.

Step three:
With the paper folded, use crayons to color each side of the caterpillar.

Step four:
Keep the paper folded and cut out the caterpillar along the black line.
